Ray Pardo moved that the April 2023 minutes be approved; Rick Feeney seconded. Motion passed.

Ray Pardo moved that the be May 2023 minutes approved as amended Rick Feeney seconded. Motion passed.

(see attached for amended minutes and attachments).

**Pedestrian Metrics Resolution Transmittal:** David Forte

The Pedestrian Metrics Resolution passed by the Non-Motorized Committee (NMC) at the May 2023 meeting was transmitted to the Board of County Commissioners (BOCC) on June 6, 2023. See attached letter and text of resolution transmitted.

David Forte also presented a letter to the BOCC on the work that Public Works and the NMC have been doing over the last several years to identify, analyze, prioritize, design, fund, and build pedestrian improvements. See attached letter from Public Works.

BOCC showed interest in this issue.

**Automated Speed Enforcement (ASE) Findings Presentation: Nathan Menefee, Jess Chandler, and Brian Watson**

Nathan, Jess, and Brian presented research findings on ASE. See attached for presentation.

ASE Subcommittee will develop a draft resolution to the BOCC recommending that the BOCC consider taking steps to allow further exploration of ASE implementation. Subcommittee will present draft resolution at the September 2023 NMC meeting for discussion.

**Member & Staff Updates:**

Jess Chandler will not be at the September NMC meeting due to work travel.

Rick Feeney has been selected to be the South Kitsap Regional Park Steward.

**Meeting adjourned at 6:56pm.**
